Anthology Milestone in Action

"Milestone will be a wonderful addition to our campus. The Milestone team has helped us to zero in on our specific wants and needs to engage our campus in a thoughtful manner. Not only will our students benefit from having experienced this platform, but so will our staff and faculty who do co-curricular programming as well. Milestone provides a digital, tangible way to share what our students are learning from the experiences we are providing at Seton Hill."

Elise Michaux

Former Director of Student Leadership & Involvement
